CHILLS AND FEVER The proprietor of this calebrated medieine justly c'aims for it a superiority over all remedies over offered to the public for the safe, corrain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long stanling. He refers to the entire Western and Southwestern country to hear him testimony to the truth of the assertion, that in no case whatever will it sail to cure, if the directions are strictly followed and cirriel out. In a great many cases a single d a his been sufficient for a oure, and whole families have been cured by a single buttle, with a perfect restoration of the general health. Southern Express Company is, however, prulent, and in every case more certain to cure, if its use is continued ! in smaller doses for a weak or two after the disease has been clocke i, more especially in difficult and long ata this cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the panent, lowever, require a cathartic modi- oct 12 ine, after having taken three or four dases of the Tonic a single dose of BULL S VEG-ETBALE FAMILY PILLS will be sufficient.
